Bye Bye 2020!

2020 was a difficult year for all of us in some way or another. My Credit Union has made adjustments to operations to make sure that members had access to their accounts. Members can sign up for free home banking and do most transactions. Debit Cards make store purchases and online purchases easy. Fewer members write checks anymore. Through our Home Banking app, members freely can make check deposits and need not travel to a branch. We have a co-op network of over 30,000 ATMs all over the country for members access at home or on the road.

Let us help you stay FEE FREE!

We continue to provide as many free or low cost (minimal fee) services as possible. We offer free E-statement service. We offer bill pay at a minimal fee and free home banking. We have lowered our minimum savings balance to **\$5** and our basic checking balance minimum is **\$0**. To avoid future statement mailing fees, sign up for free e-statements. We have some exemptions built in, so check with your local branch.

We rely on members who are our only customers. We ask for your support when you buy new vehicles or need a home equity loan. Loans are our primary source of income/business. We are very competitive on rates and terms. We will do our best within our means to match or beat any other offer on your auto or home. **Keeping your loan local even at a comparable rate helps our local economy, our employees and neighbors, and helps us to keep our prices down on other products and services.**

SWAP & DROP

Reduce your auto interest rate to as low as 1.99% A.P.R.
& SAVE every month.

One of the greatest advantages of membership in My Credit Union has been our auto refinance program.

We understand members may purchase new or used autos over the weekend when the credit union is closed.

No problem! We offer the chance to refinance at My Credit Union.

Our employees are happy to help and do all the paperwork.

For your added safety from Covid, you can easily apply online at mycutx.com, follow the links to auto loans. We will contact you for your auto account number and 10-day payoff. We can help you get the payoff if needed. We get your loan approved and send a check to the finance company and you are saving next month. Give us a call on any vehicle you have financed somewhere else.
